

Kindly add the following new claims:

-- 17. A method for the manufacture of the agents as set forth in claim 6 wherein said glycerolipid and/or glyceroglycolipid are/is derived from tea, mushrooms, algae or cereal residues.

18. A method for the manufacture of the agents as set forth in claim 7 wherein said glycerolipid and/or glyceroglycolipid are/is derived from tea, mushrooms, algae or cereal residues.

19. A method for the manufacture of food or beverage as set forth in claim 14 wherein said glycerolipid and/or glyceroglycolipid are/is derived from tea, mushrooms, algae or cereal residues.

20. A method for the manufacture of food or beverage as set forth in claim 15 wherein said glycerolipid and/or glyceroglycolipid are/is derived from tea, mushrooms, algae or cereal residues. --

REMARKS

This application is a national stage application of international application no. PCT/JP97/03997. The foregoing amendments to the specification correspond to the amendments to the specification of the international application which were effected under Article 34. The foregoing amendments to the claims were also effected to the claims of the international application under Article 34, and the amendments to the claims include additional

amendments effected to eliminate the multiple dependency of the claims so as to reduce the PTO filing fee.

Favorable action on the merits is solicited.

Respectfully submitted,

Takeshi SAKAI et al.
